

About Us

Northstar Recovery Center, with facilities in Southborough and West Springfield, Massachusetts are beacons of hope for those struggling with substance addiction. These centers are renowned for innovative, comprehensive, and a compassionate approach to addiction recovery, making them a top choice for individuals ready to embark on the journey towards sobriety.

At the heart of Northstar's success is our commitment to personalized treatment. We understand that recovery isn't a one-size-fits-all journey. Thus, we take the time to get to know each client, understanding their unique needs and circumstances. This knowledge informs the creation of a customized treatment plan, designed to address not only the symptoms of addiction but also its root causes.

With the addition of our new facility in West Springfield, we are able to bring our renowned services to those struggling with substance use disorder in the western Massachusetts region. This new location embodies our unwavering commitment to reach people of all backgrounds and provide the highest quality comprehensive addiction treatment.

The West Springfield center, like its Southborough counterpart, offers a variety of treatment programs, including Intensive Outpatient Programs (IOP) and Partial Hospitalization Programs (PHP). These programs are designed to meet the diverse needs of clients, whether they require intensive therapeutic care or a flexible program that accommodates work, school, or family commitments.

Beyond the structural similarities, the spirit of compassion, empathy, and respect that characterizes Northstar's approach remains a cornerstone of the new West Springfield center. The multidisciplinary team of experienced mental health and medical professionals continues to provide comprehensive, integrated care.

The addition of Northstar Recovery Center in West Springfield is a significant milestone in the fight against addiction in the region. It not only extends the geographic reach of Northstar's services, but also amplifies their impact, offering hope and healing to more individuals and families affected by addiction.

What Set's Us Apart

At Northstar Recovery Center, the well-being and success of our clients is more than just a mission statement – it is the driving force behind everything we do. Our dedication to clients shines through our personalized, compassionate, and comprehensive approach to addiction treatment.

At Northstar we understand that every individual is unique, with distinct experiences, challenges, and strengths. This belief is reflected in our commitment to providing personalized treatment plans. We take the time to get to know each client, understand their unique needs and circumstances, and tailor a recovery plan that best fits their journey. This personal touch underscores our deep commitment to our clients and their recovery.
